

| How can I learn Spanish at home? |

Key websites for revision

www.linguascope.com (username- wolverley/ password- wolverley). You should use the beginner level now to look at language in a KS3 context.

www.duolingo.com Work on either the app or computer and goes from basics up to advanced level.

www.quizlet.com Teachers have uploaded vocabulary on all topic areas, for example foods, directions and numbers. If you search for these topics (i.e. Spanish foods), vocabulary lists will come up to choose from and students can work through flashcards and memory games. You can also create your own account and scan in your weekly vocabulary, this will help you learn it!

www.kerboodle.co.uk Login with your school details and look at the textbook- work through the assessment Listening and Reading activities on Claro 1 and Claro 2.

www.lyricstraining.com/es Fill in the blanks from listening to the songs.
